OVER THE OCEAN.

Russia has been giving the powers a glimpse of her hand in the east. There appear to be four aces and a club and also Manchuria in it.—St. Louis City Journal.

The queen of Italy says she admires Americans, but her appreciative majesty cannot score a claim for originality on that ground.—Baltimore American.

Abdul Hamid is in an embarrassing position. He can fight Bulgaria all he wants to, but the powers will not permit him to whip her.—St. Louis Globe-Democrat.

With the diplomacy of repeating rifles and four Maxim guns the British government has just arranged with the remnants of a couple of African tribes to take over the control of about 100,000 square miles of territory.—Toledo Times.

Sahara Autos Supplant Camels. A party of Americans at Cairo, Egypt, has arranged for a trip across the Sahara on the desert auto invented by George Winter and Jesse Ellis, says the St. Louis Globe-Democrat. The machine has specially constructed wheels capable of coping with the conditions of the soil, each auto carrying two sets, one for loose sand and another for a heavy road. The Sahara auto engaged by the American party is an omnibus capable of accommodating forty people. It has a velocity of from three to four miles an hour—little enough, but it beats the camel.

ALL OUR CITIZENS

Have Waited Long for Such Convincing Proof as This.

Is not a remedy which absolutely cured Barre people in 1897, kept them well during the period which has elapsed, and, when interviewed in 1902, five years after their original experience was published, they were found in good health—is not that remedy worthy of your confidence? Read this:

Geo. W. Brown, (carpenter) of 39 Berlin street says: "When living at 21 Pearl street, in the winter of 1897, I procured Doan's Kidney Pills at B. A. Brown's drug store and after giving them a thorough trial I made the following statement through the Barre newspapers: 'Doan's Kidney Pills were worth their weight in gold to me.' That is my honest opinion. I add my reasons for thinking so: A few years ago I strained my back. It bothered me some at the time but I paid little attention to it, thinking it would leave of its own accord. It did not. It developed into quite a serious kidney trouble. I tried various remedies but found nothing brought any permanent benefit. In some manner my attention was called to Doan's Kidney Pills and I tried them. They did me a wonderful amount of good, and stopped a weakness of the kidneys and renal organs which was very annoying at night. Now today, in the month of May, 1902, I am pleased to continue my endorsement of Doan's Kidney Pills. I know of friends who have been benefited by their use. I have never relapsed into the condition that existed when Doan's Kidney Pills first came to my notice." For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name Doan's and take no other.

A Seasonable Suggestion

Soda Water

Is always "in season." Whether taken hot or cold it is a wholesome beverage provided the flavoring syrups are all right. Cold Soda drawn from our good fountain lacks nothing that could be desired by the most sensitive palate. We use only pure juices made direct from fresh fruits and can give varied flavors. Our "Cold Soda" is always cold.
